

## CARRANZA GENERAL REPORTED IN REVOLT, "AT WAR WITH UNITED STATES"

### PEACE RUMOR IS REPUDIATED; NO EARLY PROSPECTS

President Authorizes Denial  
That Gerard at Berlin Awaits  
Proposals By Germany

### ROME HEARS RUSSIANS CONQUER CERNOWITZ

Torons Declare No Success  
Gained By Slaves in Great Of-  
fensive; Berlin Declares the  
British Lost Naval Fight

(Associated Press by Federal Wireless.)  
WASHINGTON, D. C., March  
22.—Rumors that prospects for  
early peace are brightening were re-  
pudiated today by the official  
Washington in a statement.

The White House gave out this  
statement: "The president, through Sec-  
retary Tamm, authorizes the denial of  
newspaper stories to the effect that  
Ambassador Gerard is remaining  
in Berlin to await Germany's  
proposal of peace. There is no justifi-  
cation for that inference."

Secretary of State Lansing denies  
that Germany has intimated that the  
United States would act as mediator  
for peace. Confidential advices  
from American ambassadors abroad  
are understood to indicate that the  
belligerents are all ready for peace  
on their own terms, but that there  
are no more prospects of peace now  
than any time within the past six  
months.

### AUSTRIA SAID TO HAVE ABANDONED CZERNOWITZ

LONDON, England, March 22.—  
The abandonment of Czernowitz  
by the Austrians and its virtual oc-  
cupation by the Russians are de-  
clared to have taken place, in a des-  
patch from Rome.

BERLIN, Germany, March 22.—  
It was officially stated today that  
the Russians have gained no success  
by their great extended offensive  
against the German lines on the east.

PARIS, France, March 22.—No  
infantry attacks took place today at  
Verdun. West of the Meuse, the  
artillery interchanges were lively at  
Malancourt, at Esnes, and at Hill  
304. East of the Meuse the bom-  
bardment is intense.

### VESSELS WITH FOOD FOR TURKS ARE SUNK

LONDON, England, March 22.—  
The German steamer Esperanza, en  
route to Constantinople with food,  
has been sunk in the Black Sea by  
a Russian warship and the crew cap-  
tured, says a Bucharest despatch.  
A score of small sailing  
vessels also carrying food for the  
Turks have likewise been sunk, says  
the report.

### RUSSIANS, DESPITE LOSS, ARE MAKING PROGRESS

BERLIN, Germany, March 22.—  
This afternoon the Germans are  
having further successes in the Ver-  
dun section. The prisoners taken  
around Avocourt have been in-  
creased to 58 officers and 2914 men.  
On both sides of the Meuse there is  
artillery fighting.

On the east front, the points of  
attack by the Russians are more  
numerous. The Russians stormed  
positions northwest of Postoy but  
their losses were extraordinarily great.  
The Germans repulsed the enemy near  
Friederichstadt, taking  
more than 6000 prisoners and killing  
a large number.

### BERLIN CLAIMS FIGHT AT SEA WAS SUCCESS

The following account of the Ger-  
man-British battle off Flanders Mon-  
day is from German official sources:  
"German Admiralty Report, March  
20.—Three German torpedo boats had  
a successful encounter with five Brit-  
ish destroyers today off the Flanders  
coast. The British made off with high  
speed after having been hit several  
times. German boats sustained no  
damage of account."

### TO PLAN FIRST WORK OF 'BABY WEEK' TONIGHT

Outcome of Movement May Be  
Establishment of Welfare  
Station in Honolulu

John R. Galt, president of the Asso-  
ciated Charities, has been asked to  
preside at a meeting at the Palama  
Settlement at 8 o'clock this evening  
of Honoluluans interested in "Baby  
Week" and the local baby welfare  
movement.

The purpose of tonight's meeting  
will be to lay permanent plans for Ho-  
nolulu's "Baby Week," and to reach a  
definite decision as to where the ex-  
hibits, lectures and other features of  
the campaign will be held.

"We do not want to wait until next  
fall to conduct the campaign," said  
Mrs. James A. Rath, chairman of the  
publicity committee, today. "It is the  
desire of those interested to start it  
within the next three or four weeks."

Committees to have charge of the  
various branches of the campaign will  
be appointed at a meeting of the pub-  
licity committee to be held at 10  
o'clock tomorrow morning in the li-  
brary of Hawaii. These committees  
will have charge of the following work:

Arrangements and equipment, lec-  
tures, examination of babies, scoring  
the percentage of each child, adver-  
tising, registration, finances, follow-up  
and exhibition. Under the exhibition  
committees the following sub-commit-  
tees will be appointed: Play, feeding  
and cleanliness, dairies, simple home  
furniture, clothing, tenements and cot-  
tages, miscellaneous charts, eyes and  
dental work.

It is expected that the ultimate out-  
come of Honolulu's "Baby Week" will  
be the establishment of a baby welfare  
station, to which mothers may bring  
their children, have them examined,  
see if they are growing properly, and  
ascertaining the percentage of health  
they are maintaining. It is planned to  
have a doctor in attendance at the  
station who will give advice as to the  
care of the children.

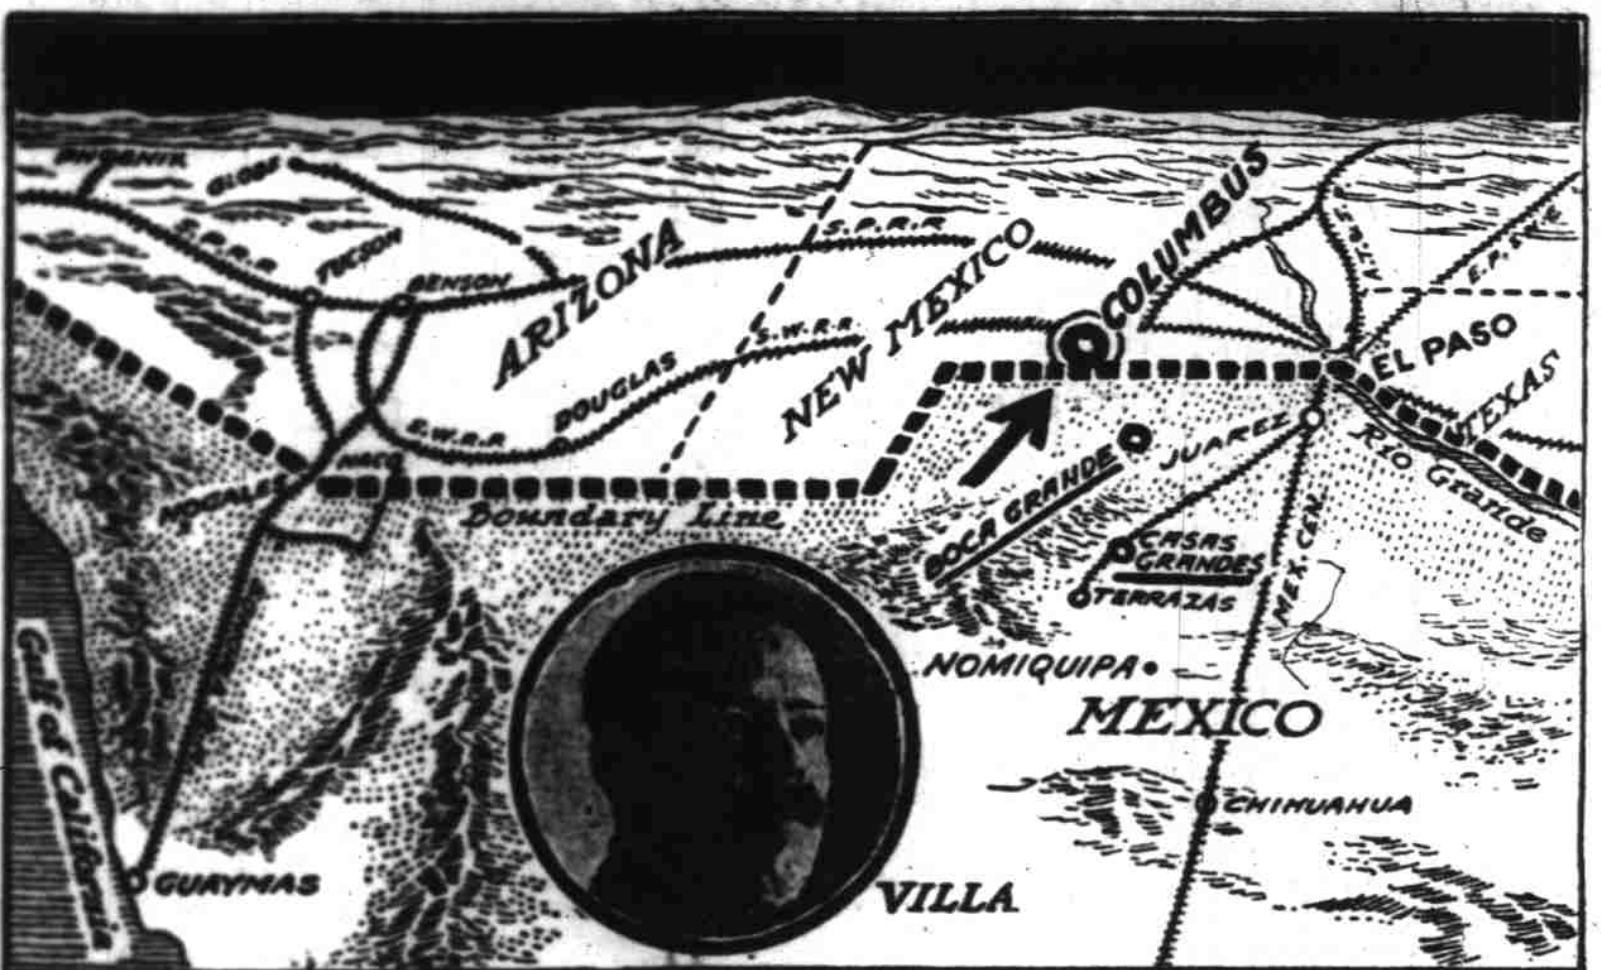

### GERMAN OFFICIAL CABLEGRAMS

"German Headquarters, March 21.—  
In two sections west and east of the  
Meuse today, after careful artillery  
preparation, Bavarian regiments and  
Württemberg territorial forces stormed the  
wuerthberg fortified French positions  
near and in the forest northeast  
of Avocourt. Besides very consider-  
able losses, the French lost 32 officers  
and more than 2500 soldiers, taken  
prisoner by us unwounded, two regi-  
ment commanders being among the  
prisoners.

"The enemy's counter attacks were  
without avail. No advantage was  
gained by the French, but their losses  
were increased. East of the Meuse  
the situation is otherwise unchanged.

"The Russians have extended their  
attacks to the extreme northern wing.  
South of Riga and further on the Du-  
na front the enemy were repulsed  
with bloody losses. Strong recon-  
quering detachments of the enemy were  
repulsed west of Jacobstadt. The Rus-  
sians did not cease their attacks night  
or day but the offensive was useless  
on the whole line and the enemy's  
losses were proportionate to the at-  
tacking masses. Immediately south  
of Narva a small advanced Ger-  
man position was withdrawn several  
hundred meters to prevent an encir-  
cling force."

having doubled east. Below—Col. H. J. Slocum, who was in command

### DEATH REMOVES COLE YOUNGER, NOTED OUTLAW

Notorious Western Desperado,  
Long Since Reformed,  
Passes Away

(Associated Press by Federal Wireless.)  
LEES SUMMIT, Kan., March 22.—  
Cole Younger, one of the last of the  
old bands of notorious outlaws of the  
West, died here today. He was 72  
years of age. His life, like that of  
the James boys, was one of desperate  
adventures in Western Missouri dur-  
ing and after the Civil War.

Younger was a member of the  
Quintrell band of guerrillas and with  
his two brothers took part with the  
"James Boys" in bank and train rob-  
beries in Missouri and neighboring  
states that netted the looters more  
than \$100,000. The leading members  
of these bands are dead, some at the  
hands of the law, some by suicide and  
others from natural causes. Younger  
after a long term in the penitentiary  
became a law abiding Missouri citi-  
zen.

Cole was the oldest of the three  
"Younger Boys."  
The father, Col. Harry W. Younger,  
came to Missouri from Kentucky, be-  
fore the war. He was a strong Union  
man, though a slaveholder. He set

### LOCAL FIRM HAS KALIHI COALING WHARF CONTRACT

The Inter-Island Steam Navigation  
Company today officially awarded the  
contract for its new Kalihi coaling  
plant wharf to the Hawaiian Dredg-  
ing Company of this city. The work  
will be started soon, and the contract  
calls for the wharf's completion in  
175 working days.

The company's officers did not  
make public the contract price, but  
the job will cost in the neighborhood  
of \$100,000. There were only two bid-  
ders, the other being the Tibbitts-  
Pacific Company of San Francisco.

William T. Donnelly, consulting en-  
gineer, conferred with the Inter-Island  
directorate and officers concerning the  
award of the contract.

With President-elect George Smith  
in the chair, the board of directors of  
the Chamber of Commerce met at 2  
o'clock this afternoon. After the read-  
ing of the minutes of the previous  
meeting the president announced the  
committees and chairman for the en-  
suing year.

Members of the bowlers banquet  
committee will meet this afternoon  
at 5 o'clock to make final arrange-  
ments for the annual banquet on Sat-  
urday evening in Cooke hall.

### NAB HACK THIEF WHO WAS TARGET; GET CONFESSION

Police Arrest William Kaholokai  
Who Says Drink Was Cause  
of Escapade

Confessing to all the details of his  
escapade on Saturday night, when,  
with another man, he stole a hack  
from a Japanese on Vineyard and  
River streets and rode over town de-  
fying citizens and members of the  
police force until finally driven into  
the bushes near Kapiolani Park by  
Officers Barry and Sizemore, Wil-  
liam Kaholokai, Hawaiian-Chinese,  
was taken into custody today by de-  
tectives.

Today's arrest and confession is the  
result of persistent work by the de-  
tective department, and with the ar-  
rest Acting Chief Kellett's promise of  
two days ago is made good.

John Andrews, Portuguese, was  
taken into custody yesterday, and  
though he refuses yet to admit the  
theft, Kaholokai's testimony is  
against him.

Drink, according to Kaholokai,  
caused their escapade on Saturday  
night. They had been drinking to-  
gether in the early part of the even-  
ing and after paying a visit to Camp  
2 started back to town.

Finding a hack standing on the cor-  
ner alone, the two jumped into it  
and began their ride, which finally  
led them out Beretania street to Ka-  
mukui. From there they went toward  
Waikiki, planning to steal chickens  
from one Yong Yin. The Chinese  
fired at them, however, and they  
turned back, going around Diamond  
Head by Fort Ruger.

Near the public baths they planned  
to leave the hack, when they saw  
the officers approaching on motor-  
cycles. At the call of halt they  
jumped out and ran for the brush.  
Neither of them was wounded by the  
officers' bullets and neither fired,  
though Kaholokai says he had a re-  
volver, which he threw away when  
the chase began. They will appear  
in the police court tomorrow.

### SENATE NOT LIKELY TO CHANGE KITCHIN SUGAR BILL'S TERMS

(Special Star-Bulletin Cable)  
WASHINGTON, D. C., March 22.—  
The senate finance commit-  
tee will meet tomorrow to take  
up the free-sugar repeal bill al-  
ready passed by the house. Chair-  
man Simmons said today that  
the measure will be favorably  
reported to the senate without  
change. He intends to urge early  
action by the senate.

C. S. ALBERT.  
Two Provinces Waver.  
(Special Cable to Liberty News.)  
SHANGHAI, China, March 22.—  
Provinces of Hunan and Kiang Si  
are now making preparations to announce  
their independence of Yuan Shih-kai.  
Should these two provinces join with  
the republicans, all of southern China  
with the exception of Canton and  
Kwantung province would be in the  
hands of the rebels.

The chamber of commerce of Can-  
ton, acting in behalf of thousands of  
inhabitants of that city, has petitioned  
Lung Chi Kwang, the military gov-  
ernor of Kwantung province, to declare  
independence of Yuan Shih-kai in or-  
der to avoid war between Kwantung  
and the neighboring provinces.

Citizens of Canton held a mass  
meeting last evening, and as a result  
three representatives were sent to  
Kwangsi, Yunnan and Kweichow, ask-  
ing them not to send their troops into  
Canton, as the citizens of Canton will  
force the military governor to join  
the republicans or leave the city.

Smith, the American aviator, appeared  
at the Keio University grounds this  
afternoon in his baby car and thou-  
sands of citizens watched him in his  
exhibitions.

### SENATE HAS PLAN TO ENLIST 50,000 VOLUNTEERS AT ONCE FOR SERVICE ACROSS BORDER

RESOLUTION INTRODUCED BUT LIES ON TABLE UNTIL  
TOMORROW—RUMOR HUNDREDS OF AMERICANS TRY-  
ING TO LEAVE TAMPIO AND U. S. TO SEND BATTLESHIP

(Associated Press Service by Federal Wireless.)

SAN ANTONIO, Texas, March 22.—Reports reached San An-  
tonio late today that Gen. Herrera, the commander of the state of Chi-  
huahua, with headquarters at Chihuahua, has revolted against Provisional  
President Carranza and declared himself "at war with the United  
States."

Gen. Funston this afternoon received his first report from Gen.  
Pershing in 60 hours. It referred to the engagement between Villistas  
and Carranzistas at Namiquire.

WASHINGTON, D. C., March 22.—The draft of the protocol be-  
tween the United States and the Carranza government has been decided  
upon by Secretary of State Lansing and the Mexican ambassador, Dr.  
Arendonio. It will be forwarded to Carranza for approval. It is ex-  
pected that it will be in effect in a few days.

WASHINGTON, D. C., March 22.—That Gen. Pershing's pursu-  
ing column is close upon the heels of Gen. Villa and his forces, suppos-  
ing somewhere in the vicinity of Nomiquire, is the gist of advices re-  
ceived today by the war department. News of engagements is awaited.  
This despatch apparently goes to show that the line of communi-  
cation, reported cut in the overnight despatches, has been re-established  
without much difficulty.

### DESPATCH SAYS YUAN ABANDONS MONARCHY PLAN

People of Canton Hold Mass  
Meetings, and Refuse to De-  
fend City From Rebels

(Associated Press by Federal Wireless.)  
PEKING, China, March 22.—A state  
department mandate issued today an-  
nounces that the proposed monarchy  
has been abandoned and the republi-  
can government will be resumed.

(Special Cable to Nippu Jiji.)  
TOKIO, Japan, March 22.—According  
to a despatch from Peking, Yuan  
Shih-kai yesterday called a meeting  
of his cabinet to discuss the situation  
in China. Yuan Shih-kai in the course  
of discussion said that he would wait  
two or three weeks before taking final  
action. It is thought that the "final  
action" means that should the republi-  
cans be successful in their Canton  
campaign Yuan will then be ready to  
resign.

### WOULD ALLOW WILSON TO CALL VOLUNTEERS

(Associated Press by Federal Wireless.)  
WASHINGTON, D. C., March  
22.—Senator Sherman of Illinois  
introduced a resolution in the upper  
house today authorizing and direct-  
ing the president to call 50,000 vol-  
unteers in his immediate discretion  
for service in Mexico. Under the  
rules, the resolution will lie on the  
table until tomorrow.

### MISSING AVIATORS NOW BELIEVED SAFE

SAN ANTONIO, Texas, March  
22.—The two American army avi-  
ators last night reported missing  
somewhere in Mexico are probably  
safe, it is thought. Advices say that  
the two, 1st Lieut. Robert H. Willis  
and 1st Lieut. Edgar S. Gorrell,  
both of the Signal Corps, descended  
somewhere along the line of com-  
munication and therefore it is not  
feared that they are in the Sierra  
Madre hills.

This afternoon Major Sample re-  
ported from Columbus that Willis  
is safe but that Gorrell is still miss-  
ing. The search is continuing.

### U. S. BATTLESHIPS MAY GET AMERICAN REFUGEES

GALVESTON, Texas, March  
22.—The battleship Kentucky sailed  
from this port today under sealed  
orders. It is rumored that her des-  
tination is Tampico and that she is  
sent there because several hundred  
Americans, some of them refugees  
from interior points, are gathered  
at the Mexico port and anxious to  
leave.

### THOUSANDS HOMELESS AS RESULT OF BIG FIRE SWEEPING PARIS, TEXAS

(Associated Press by Federal Wireless.)  
PARIS, Texas, March 22.—The fire  
which swept this town last night has  
done even more damage than was  
feared. Eight thousand persons  
have been rendered homeless and be-  
tween 1500 and 2000 homes destroyed.  
The mayor estimates that the loss  
is from eight to ten million dollars.  
Two persons are known to have lost  
their lives and a third, a woman, is  
missing.

The ground district is burned to  
the business. Many fought the flames  
all night while women and children  
camped in the parks. Trains from  
nearby towns are bringing food and  
clothing but not enough is being sent  
to supply the refugees, according to  
the committees in charge of relief  
work.
